President, Central Global University

# Message from the President

At Central Global University, we believe education is more than the pursuit of knowledge —it is the foundation upon which leaders, innovators, and global citizens are built. Every day, our community strives to create an environment where curiosity is celebrated, ideas are challenged, and excellence is nurtured.

As we continue to expand our academic horizons and global partnerships, we remain committed to empowering students with the skills, confidence, and values they need to make a meaningful impact in the world. Our mission is to cultivate minds that think critically, act compassionately, and lead responsibly.

Whether you are beginning your academic journey or advancing your professional path, Central Global University is here to support your aspirations through world-class education, dedicated faculty, and a diverse, vibrant campus community. We invite you to join us in shaping a brighter, more connected future.

Ms. ELENE KAPANADZE  
Chief Academic Director, CGU

## *Message from the Chief Academic Director*

At Central Global University, academic excellence is at the heart of everything we do. Our commitment is not only to deliver high-quality education but also to create an environment where innovation, inquiry, and meaningful learning can thrive.

As Chief Academic Director, I am proud to lead a team of dedicated faculty members who bring passion, expertise, and a global perspective to the classroom. Together, we work to ensure that every student is equipped with the knowledge, skills, and intellectual curiosity needed to succeed in an ever-changing world.

We continually enhance our programs, integrate emerging technologies, and promote interdisciplinary approaches to learning. Our goal is to empower students to think critically, collaborate effectively, and contribute responsibly to society.

Central Global University is a place where potential is nurtured and futures are shaped. I invite you to engage fully, explore boldly, and make the most of the academic opportunities that await you here.

# DOCTOR OF BUSINESS ADMINISTRATION

A doctoral degree signifies expertise and opens doors to top-tier career opportunities. Gain unmatched credibility and stand out in your field with this pinnacle of academic achievement.

## Overview

Our Doctor of Business Administration (DBA) program is designed for experienced professionals, executives, and business leaders who seek to deepen their strategic expertise and create impact through applied research. The program focuses on advancing professional practice by integrating advanced business knowledge with real-world problem solving.

## **What is a Doctor of Business Administration?**

A Doctor of Business Administration (DBA) is a terminal doctoral degree in business designed for experienced professionals who want to apply advanced research and strategic thinking to real-world business challenges.

Unlike a PhD in Business, which is primarily theory- and academia-focused, a DBA emphasizes applied research. It equips senior managers, executives, entrepreneurs, and consultants with the skills to analyze complex organizational problems, make evidence-based decisions, and lead transformation at the highest levels.

## **Key Features of a Doctor of Business Administration (DBA)**

The Doctor of Business Administration (DBA) is a professional doctoral degree that combines advanced business knowledge with applied research. It is structured to help experienced professionals systematically investigate real-world business and organizational challenges.

Key features of a DBA typically include advanced coursework in business and management, training in research methodologies, and the completion of an applied doctoral dissertation. The research component emphasizes practical relevance while maintaining academic rigor.

The DBA supports the development of high-level analytical, leadership, and decision-making skills. It also encourages ethical reasoning, critical thinking, and a global perspective on business practices.
